PRESIDENT'S REPORT 2024-2025

It gives me great pleasure to present the 2024-2025 annual report for our wonderful club ANOS Central Coast Group Inc.

We have had a great year for group involvement. Our three shows were a great success with lots of beautiful orchids on show and some fantastic winners, but the best part was we had so many people involved in the running of the show. There is always room for improvement, and we have endeavoured to do this, but more Members at key times would be helpful.

We also did two bushwalks that were a fantastic day out. BBQ, cuppas, tasty food and excellent bushwalks (a bit of a challenge too!).

Our first in November, at Piles Creek, was a long walk and we saw plenty of native orchids, foliage and scenery. Rev. Peter Dunstan even wrote a great article for the Orchadian.

The second walk was in my local bush area, Strickland State Forest. Again, some enjoyable walks and a great BBQ.

Our Christmas party was again a very nice gathering with our great hosts and club patrons, Ian & Elaine Slade. Great food, a huge raffle and even better, conversation!

The last event for the year was the Mingara Orchid Fair and Show. Our display may have been a bit short on orchids, but our small group of helpers made it look good, and we managed second place.

Lastly, I would like to thank the committee for all their work. Thanks, Gaewyn for running it all and reminding me of so much. Thanks to all who helped at any of our events and shows. Let's keep up the good work in keeping our group great.

Financial Position

Our financial position is very good – thanks to our show success.
